Registration number for 501c(3): 45-3541106

We **understand** how hard it is to lose someone you love.

Remembering Freedom From Fistula with **in memory giving** is a meaningful way to support women and children in Africa and to honor your loved one's memory.

We are always incredibly grateful and moved to receive donations in memory of a loved one. Whether you are making a **one off donation** or holding a **collection at a funeral or memorial service**, please tell us who this special person was and a little more about why you are making the donation as we would love to say thank you.

Email info@freedomfromfistula.org

100% of your donation goes directly to our projects as all administration costs are met by the Charity founder.

"I am grateful to Freedom From Fistula for transforming my life. You have helped me to start 2 businesses. I am able to provide food for my family. You have brought peace and joy back to my life. God bless you always"
- Fryness

Fryness suffered from obstetric fistula for 16 years before treatment at our Fistula Care Center in Malawi

Your incredible gift
transforms lives

Help us prepare for the future by leaving a **gift in your will**

Planning for the future isn't always easy and we understand that. By **leaving a gift to Freedom From Fistula in your will** you are helping us be there for the women and children we support when they need us the most.

You could be giving a future to a child victim of rape, providing a safe birth preventing childbirth injuries and preventing obstetric fistula, providing a fistula surgery to a woman suffering from this devastating injury, or providing a healthy future for children through immunizations and health checks. It is an incredible legacy to leave.

100% of your gift goes directly to our projects as all administration costs are met by our charity founder.

"I thank the Aberdeen Women Centre for their support in helping me build my future and feel proud to be among my age mates and testify what I have learnt during my stay at the Hostel." Marie

16 year old Marie safely delivered her baby at AWC and received support and training to gain employment and a future for her and her little one.
